

POLO PARK EAST R.O. ASSOCIATION, INC.

HOLD HARMLESS AGREEMENT – BOAT AT PPE LAKE FRONT AREA

I, _____, the undersigned agree to hold harmless Polo Park East R.O. Association, Inc. and/or all its Directors and Officers of any and all liability resulting from placing a boat at the lake front, either in a boat slip at the docks or in the area where boat trailers are parked (often referred to as the 'lake front' area.)

This release of liability applies not only to personal property but also to any bodily harm suffered in the areas above. I have been advised that the lake contains alligators and snakes and is considered unsafe for swimming and should not be entered for the purpose of working on the boat. Additionally, this release applies to, but is not limited to, losses resulting from theft, vandalism, and hurricanes, tornados or any other weather related conditions.

Lastly, I understand that I must have a Hold Harmless Agreement on file in order to utilize the lake front boating area.
