PROPOSED (PRIME SEASON) GOLF COURSE CLOSING POLICY

OVERVIEW: January, February, and March are the Prime Season for revenue for Polo Park East Golf Course. Accordingly, it is important to maximize revenue during those months. The following policy is intended to aid in assuring the continuous flow of golf income while still honoring previous commitments for golf course usage.

POLICY:

The Polo Park East Golf Course will not be closed for Member outings during the months of January, February, and March of any year except as previously approved for Men's Scrambles, Women's Scrambles, one per month Ma & Pa Scrambles, and one per month Men's Club Tournaments.

Course closing for revenue generating entities during the Prime Season will be considered on a case by case basis.

Course closing during other months will be considered on a case by case basis.
